PUBLISHED WEEKLY IN CANAL POINT BY PAUL RARDIN

CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Garden Club Executive Board Plans Year's Work

The executive board of the Pahokee-Canal Point Garden Club met Tuesday afternoon at the home of the president, Mrs. Frank Friend, with circle chairman and standing committee chairman present to discuss plans for the coming year.

It was announced the club will conduct a general meeting and covered-dish supper at the County Park community building in Canal Point Tuesday, Sept. 23, at 7 p. m., with husbands invited to attend as guests. M. U. Mounts of West Palm Beach, County agricultural agent, will be guest speaker at this meeting and a film of interest to gardeners will be shown by Mr. Kilgore.

At the conclusion of the general club meeting the Poinsettia Circle will reorganize and become a night circle and all club members who are unable to attend meetings of a day circle are invited to join the Poinsettia Circle.

All members were urged to join in the community improvement program by planting more flowers and ornamental shrubs and trees, and to encourage their neighbors, who may not be garden club members to do likewise.

It was announced a "Flower Show" school for club members of the Glades area will be conducted at the Belle Glade First Baptist Church Oct. 13 and 14, starting at 9:30 a. m. Mrs. H. B. Swinglehurst of Stuart will teach "Flower Arrangements" and Mrs. Talmadge Coffey of Miami, "Horticulture and Flower Show Practice."

Mrs. Leo Maxwell, finance chairman, urged chairmen to have their circle members start at once preparing for the plant sale the club will sponsor Nov. 20-21. Mrs. H. M. McIntosh also urged that preparations start immediately for the club's annual flower show to be held in March.

Steel Grandstand For Lair Field Fans

Two new sections of seats for football fans who purchase reserve seats are being installed at Lair Field, home of the Pahokee Blue Devils.

The new seats, of the latest type grandstand construction with a stairway aisle in the center, will accommodate 330 reserve seat patrons increasing the seating facilities of the field to accommodate approximately 2,000 persons. Located on the west side of the field at the 50-yard line, the grandstand will have a concrete foundation resting on piling and all-steel supports. It will rise several feet higher than the top level of the present bleachers.

Matt-Reeves, Tampa contractor, will have the new seats installed in time for the first Blue Devil home game with Key West Sept. 26.

Two-thirds of the cost will be covered by the school's Athletic Fund and one-third by the County Board of Public Instruction, according to Principal Clyde A. Canipe.

Bob Chamberlain New Drainage Sec.

R. L. (Bob) Chamberlain has been named secretary-treasurer of the several drainage districts with offices in Canal Point, to succeed the late Harold Rosenberg, who was killed in an automobile accident near Panama City. Mr. Chamberlain has had many years experience in bookkeeping and is well equipped for the new duties he assumes.

Group Named To Plan Water Sports

The Pahokee Boat Club held its second formal meeting since its recent organization at the American Legion Hall last week with Perry Duke presiding in the absence of President James H. Wilson.

Named on a committee to arrange water sports programs at the Pahokee waterfront Sunday afternoons were Billy McKinstry, chairman, James Smith, Joel Brown, Vance Denton and Joe Hatton, Jr.

James Smith, safety committee chairman, pointed out the need for signs to designate swimming and boating lanes near the city dock. R. L. Brooks, FFA advisor at Pahokee High School, volunteered to make arrangements for his FFA boys to make the signs.

Rep. B. Elliott was received as (continued on page 8)

"Pioneer Park" Is New Circle Project

Members of the Hibiscus Garden Circle, at a meeting at the home of Mrs. Frank Friend Tuesday morning, voted to name their new park project on Bacon Point Road "Pioneer Park." The plot which they are preparing to clear off and beautify is the old burial grounds of the pioneer days which in the last decade has become overgrown with brush and weeds.

The circle also made plans to resume its work in the roadside beautification project along Bacon Point road. Last spring the circle financed and supervised the planting of royal palms along more than a mile stretch of the road and is plans to extend this row of palms in the near future. Donations to the roadside beautification project this summer include \$15 from Dr. and Mrs. L. W. Armstrong and \$50 from Curtis Chase on behalf of the Florida Power and Light Company. Mrs. H. J. Clause and Mrs. H. M. McIntosh donated labor for working out the weeds from around the palms after they were planted.

Named as hostesses for meetings during the coming year were Mrs. George Ramey and Mrs. Homer Clause, October; Mrs. G. C. McLarty and Mrs. H. M. McIntosh, November; Mrs. Don Hillier and (continued on page 8)

Ministers Name Group's Leader

The Rev. James R. Roy, pastor of Canal Point Methodist Church has reported that the ministers of the Glades met Monday at First Baptist Church in Lake Harbor for reorganization.

The Rev. E. L. Halladay, pastor of Community Methodist Church of Belle Glade was elected president; the Rev. H. R. Harlee, pastor of Lake Harbor Baptist Church, vice president; the Rev. Roy, secretary and treasurer.

A schedule was made for the various Glades ministers to participate weekly in the religious broadcasts over radio station WSWN, Belle Glade, at 9:30 to 9:45 a. m. Mondays through Fridays. Programs are not to contain any organizational or denominational statements but are to be positive in the Protestant evangelical interpretation of the scriptures, and designed for mediation and inspiration.

Other ministers present were Dr. R. A. Guy, pastor First Methodist Church, Pahokee; the Rev. Quay Rice, pastor Methodist Church of Clewiston; Rev. Wade Griffin, pastor First Baptist Church, Belle Glade; and the Rev. W. Hal Hunter, pastor of First Baptist Church, Pahokee.

Vegetable Crops Are Being Planted

Hundreds of the Lake Okeechobee vegetable growers are now actively engaged in planting fall crops of celery, green beans, potatoes, sweet corn, cabbage, escarole, chichory and iceberg lettuce. Most all have finished the preliminary preparation for planting, plowing, discing and mole draining their rich mud lands.

The outlook for the fall vegetable crops in the lake section is reported to be very favorable. However, only about 10 per cent of the growers are estimated to be planting before the latter part of this month, as the danger of heavy rains is much less then. On Oct. 3 of last year, the Glades fields were heavily flooded with rains which wiped out the majority of the early plantings.

Loxahatchee Has New Jelly Factory

Loxahatchee has a new industry in a handsome new building—Palm Beach Preservers, Inc.—one of the newest manufacturing plants in Palm Beach County. It is now operating around the clock making guava jelly. Packing of watermelon rind preserves has just been completed.

It is expected that over a quarter million pounds of jellies will be produced this fall according to the management. The brand on these products will be one of the oldest names associated with guava jelly in Florida—"R. E. Pappy's Pure Guava Jelly."

Canal Point Teachers And Parents Hold First Meeting

New Linen Service For Lake Region

Glades Linen Service is a new and going concern operating in Pahokee and giving service to the towns and area from Okeechobee to Moore Haven. Operating the concern are Rep. Cowart and C. A. Straehle. The operators of the service extend a cordial invitation to the folks in the Lake Region to give their service a trial.

Blue Devils Go To Clewiston Tonite

Coach Webb Fell put his Pahokee Blue Devils through heavy scrimmage Monday and Tuesday in final preparation for the opener with the Clewiston Tigers at Clewiston this Friday night. Practice tapered off Wednesday and only light refresher drill was scheduled for Thursday.

Pahokee's new coach is starting the season with a green, lightweight squad, made up mostly of sophomores and freshmen, which is being rated seventh or eighth in this year's predictions of final team standings in the Suncoast Conference. He is anticipating plenty of trouble for his men when they tangle with Coach Carl Ferrara's veteran Tiger eleven whose heavy line is anchored by such stalwarts as End Billy Blount, 185 lbs.; Guard Manning Clout, 195; (continued on page 8)

PHS Classes Name Officers For Year

Don Adams was elected president of the Pahokee High Senior Class of 1953 at the first formal meeting of the class held Friday to organize for the current school year. Other class officers elected were Ann Atkins, vice president; Lynn Shirley, secretary; Robert Hatton, treasurer; Eugene Caruthers, editor of the 1953 annual, and Lynn Shirley, assistant editor.

On the same day members of the Junior Class selected Wayne Burdshaw, president; Lovda Williams, vice president; Frances Wilson, secretary; Alden Chase, treasurer; Don Hillier, business manager; Donna McKinstry, assistant business manager; Carol Carpenter and Bonnie Meeks, representatives to the Student Council.

The Sophomores elected Hal Rosenberg, president; Jon Pope, vice president; Joyce Lynn Hurt, secretary, and Don Beverly, treasurer.

Dow McClelland was elected president of the Freshman Class which will choose other class officers at a later date.

Mr. and Mrs. M. P. Stanley motored to Atlanta, Ga., to enroll their son, Millard Stanley, 1952 Pahokee High School graduate, in Georgia Tech.

Canal Point School teachers were honored at reception given in the school auditorium by the Parent-Teacher Association Monday night following the first regular PTA meeting of the current school year.

Principal Clyde W. Alley and the teachers were introduced from the stage of the auditorium by the Rev. James R. Roy, program chairman, who presented a radio quiz show in which questions on "What's New in the School" asked by the audience were answered by the teachers. On the hostess committee in charge of the serving of refreshments of punch and cake were Mrs. A. R. Harrington, chairman, Mrs. Wilburn C. Young, Mrs. James R. Roy, Mrs. Leonard Maxson, Mrs. Bill Johnson and Mrs. Ralph Maxson.

At the business session preceding the reception, with Mrs. R. T. Smith, the new president, presiding, plans were discussed for the annual PTA Halloween carnival for the children of Canal Point.

Mrs. Earl Maxson, membership chairman, reported 63 members had paid their dues at the time of the first meeting. To stimulate a large membership, the group voted to present a \$5 cash award to each room in which the pupils have both parents signed as "paid-up" members of PTA by Nov. 15. A \$3 cash award will go to the school room that does not have every parent signed up but is second high to the perfect all-parents membership goal.

Mrs. Oliver Hatfield was named new manager of the school cafeteria.

Mrs. A. R. Harrington announced PTA has purchased a new motion picture projector and daylight screen for the school, and Christmas cards are being sold as a PTA fund-raising project. Mrs. Pope Sears read the president's message. Clyde Alley's seventh graders won the monthly attendance award.

One Killed, 20 Hurt In Month August

One person was killed and 20 injured in the 54 traffic accidents that occurred in Palm Beach County through the month of August, according to the monthly Department of Public Safety report released by Cpl. E. D. Dugger at the Pahokee District Office of the Florida Highway Patrol. Property damage resulting from these accidents totaled \$29,736.

In addition to investigating these accidents FHP officers made 109 arrests for law violations in Palm Beach County during August, issued 155 written warnings of improper driving and 228 warnings of faulty equipment, gave assistance to 107 motorists, made 14 public safety talks and gave examinations to 763 applicants for driver's licenses, of which 500 passed, 253 failed and 10 were termed incomplete.

Mrs. Keen Hurt When Car Hits Stumps

Mrs. Evie Keen of Canal Point was hurt in a car accident Tuesday of last week around 11 a. m. when the Nash sedan she was driving in the rain skidded on the wet pavement and crashed into some tree stumps on Connors Highway 14 miles east of Canal Point.

Mrs. Keen was thrown unconscious from the car but gained consciousness about the time a passing truck driver discovered the accident and came to her rescue. She intended to remain with her car until the FHP officer who was called to investigate the accident arrived on the scene but her neck and back, both badly wrenched, hurt so intensely that she decided she couldn't wait any longer and rode to Pahokee with Lonnie Tillis, who was passing by, to receive emergency treatment at the offices of Dr. Gordon Schuetzler.

One side of Mrs. Keen's car was completely smashed. The investigating officer was of the opinion had she been driving a little faster the car would have plunged into the West Palm Beach Canal.

Business Women In Regular Meeting

The Pahokee Business and Professional Woman's Club met at the home of Mrs. Doris Sasser Tuesday night, with Mrs. Alma Farrow and Mrs. Antionette Vertommen, co-hostess, in charge of the barbecue picnic.

Welcomed as new members were Mrs. Dorothy Graham, Miss Ada Tillman, Mrs. Alys Okie and Mrs. Jane Reiker. Club members also voted to accept Mrs. Maribelle Rawls as a new member, she to be received at the next meeting.

It was announced the Pahokee and Belle Glade B&PW Club will meet jointly in the Pahokee city park for an outdoor party and barbecue supper on the evening of Sept. 30, this fellowship meeting to be part of the program in observance of National Business Woman's Week.

At the conclusion of the meeting club members honored Mrs. Sasser with a miscellaneous shower for her new cottage at Lake Placid. It was announced the Oct. 7 meeting of the club will be at the home of Mrs. Elsie Sims.

Michael Jeffers

Announcement has been made of the marriage of Miss Mary Gray Michael, daughter of Mrs. G. S. Michael, Sanford, and Lee Jeffers, son of Mrs. Dennis L. Friend, former resident here, now living in Charleston, S. C. The wedding took place in Folkstone, Ga., on Aug. 7.

Mr. Jeffers graduated from Pahokee High School and received a BA degree in music from Florida State University. Mrs. Jeffers is a junior in the School of Music at FSU. The couple are making their home in Graceville where he is band director at the high school.

Ixora Garden Circle Has 4 New Members

Mrs. R. W. Sanders, Mrs. Don Hall and Mrs. R. A. Guy were received as new members of the Ixora Garden Circle at a meeting at the home of Mrs. J. T. Holden Tuesday afternoon, with Mrs. C. M. Todd, president, presiding.

Mrs. Arch Blakey led a round table discussion of the club's annual flower show and year books were distributed.

Mrs. Todd named as standing committee chairmen for the year: Mrs. Arch Blakey, program; Mrs. Thomas Elliott, finance; Mrs. C. E. Watson, hospitality; Mrs. J. A. Dulany, publicity and historian; Mrs. James Vandegrift, civic beautification; Mrs. R. L. Parker, bird study; Mrs. J. T. Holden, awards; Mrs. Leo Maxwell, conservation; Mrs. Don Hall, flower show and Junior gardens; Mrs. Leo Maxwell, garden center; Mrs. R. W. Sanders, visiting gardens; Mrs. C. L. Shirley, roadside development.

It was announced hostesses and program chairman for circle meetings this season will be Mrs. Nola Smith and Mrs. C. M. Todd, October; Mrs. Todd and Mrs. Leo Maxwell, November; Mrs. W. G. Hull and Mrs. J. T. Holden, January; Mrs. Arch Blakey and Mrs. Thomas Elliott, February; Mrs. T. Elliott and Mrs. C. L. Shirley, March; Mrs. L. Maxwell and Mrs. R. W. Sanders, April; Mrs. Sanders and Mrs. Don Hall, May.

Woody Stephens, trainer of Blue Man, apparent 3-year-old turf champion, rode his first winner as a jockey at Hialeah Race Course on Jan. 15, 1931, on a horse called Directly.

Simonson Circle Meets In Riviera

Members of the Mabel Simonson Circle, First Methodist Woman's Society of Christian Service, motored to Riviera Beach Monday to conduct their September meeting with Mrs. H. J. Anderson who has leased a cottage there through September.

At the business session, with Mrs. Frank Friend presiding, the group made plans to sell the new revised edition of the Bible that is being published this year, net proceeds to be used to purchase playground equipment for the recreational area that is being developed by the city for Negro children.

Mrs. Arch Blakey outlined tentative program plans for honoring pioneer members of the church on homecoming day in October.

Mrs. M. P. Holman was assisted with the presentation of the devotional program, "Parable of the Talents," by Mrs. Nola Smith, Mrs. G. W. Byrd, Mrs. W. A. Howell, Mrs. Ruth Hatton, Mrs. Carl Norman, Mrs. Anderson, Mrs. Blakey and Mrs. Friend. Mrs. Anderson gave a talk on her recent trip to Denmark and The Netherlands.

Hospital Patients

Patients at the Everglades Memorial Hospital this week include Mrs. A. L. Strickland, Mrs. M. J. Sapp and J. C. (Pat) Schoepel. Mrs. J. C. Schoepel was transferred from the Everglades Memorial Hospital to the Jackson Memorial Hospital, Miami, this week for special treatment. Mrs. Mary Pallaw was able to return home from the Everglades Memorial Hospital this week.

Jack Phillips has returned home from Belzonia, Miss., where he spent the summer crop dusting by plane.

Savings like this

Machines like this enable Southern Bell to salvage about three million feet of copper wire a year by splicing left-over lengths together and re-insulating the joints.

MEAN SAVINGS

ALL ALONG THE LINE

Saving every usable bit of wire, each pound of lead, aluminum and steel that can be salvaged for re-use, is just one of many ways Southern Bell keeps down the cost of telephone service.

Making every practical economy, working our facilities to the utmost and constantly improving our methods and equipment help keep telephone service one of today's best bargains. Day and night, a well-trained, capable and courteous team of telephone folks is working to provide good service at the lowest possible cost . . . for National Defense, for industry, and for you. — Southern Bell Telephone and Telegraph Company.

Telephone service takes a smaller part of the family budget than it did ten years ago . . . and most subscribers can call twice as many people.

Best Possible Service . . . Lowest Possible Cost

Mr. and Mrs. G. C. McLarty are visiting their son, Cpl. Claude McLarty, U. S. Army, at Camp Gordon, Augusta, Ga., where he is recuperating from serious leg injuries received in Korean action; also they are visiting relatives in Alabama enroute home.

Air Rescue Work Told To C. Pt. Lions

Capt. Frank Altman, commanding officer of the Air Rescue Squadron, USAF, stationed at Canal Point, was guest speaker at the dinner meeting of the Canal Point Lions Club Monday night.

Introduced by the Rev. James R. Roy, program chairman, Capt. Altman told of some of the air-sea rescue training activities on Lake Okeechobee and showed a film on Air Rescue work elsewhere.

It was announced the three athletic coaches of Pahokee, Webb Fell, Bill Howard and Leland Keene, will be guests of honor at the club's dinner meeting next week.

Nurses To Meet

DAYTONA BEACH — The second annual convention of the Licensed Practical Nurses Association of Florida will be held at the Princess Isseena Hotel, Daytona Beach, September 22-24, it was announced this week.

A complete and comprehensive program has been arranged and practical nurses from all over the state are invited to attend.

In addition to business sessions an entertainment program has been provided and the convention promises to be an excellent one.

Baby Blue Devils Play Tigers Sept. 23

Coach Leland Keene's Pahokee Junior High football team will open its 1952 season on Tuesday, Sept. 23, when the baby Blue Devils and the Tiger cubs tangle at Clewiston under the lights at 8 p. m.

Keene has been working daily with a small squad of 22 juniors since the opening day of school and hopes to have some of the rough edges smoothed off their playing form by the time they travel to Clewiston next Tuesday.

Other games scheduled by the Pahokee Juniors: Oct. 2, Belle Glade, here, 7:30 p. m.; Oct. 9, Stuart, there, 7:30 p. m.; Oct. 15, Clewiston, here, 8:00 p. m.; Oct. 31, Stuart, here, 7:30 p. m.; Nov. 6, Belle Glade, there, 7:30 p. m.

Gardenia Circle Has 3 New Members

Mrs. R. T. Smith, Mrs. J. S. Chastain and Mrs. Alton Braddock were received as new members of the Gardenia Garden Circle at a meeting at the home of Mrs. W. S. Evans Tuesday morning, with Mrs. M. C. Carter assisting as co-hostess.

Plans were discussed for the Style Show which is to be held in November under the sponsorship of the Gardenia group, with Mrs. A. R. Chastain in charge. Wearing apparel designed, made and modeled in the home will be displayed at the show and prizes will be awarded for the best designs, according to Mrs. Chastain.

It was announced members will plant red hibiscus on the north side of the Canal Point School grounds next week as a circle project.

The State Board of Control recently moved to survey possibilities of granting a master of arts degree for studies at the state-owned Ringling Museum in Sarasota.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Clinic Proves Of Interest To Fans

Glades football fans got a preview of their favorite teams in action at the second annual Lions Football Clinic held on Lair Field Friday night under the sponsorship of the Lions Clubs of the Glades area, with the Pahokee Blue Devils, Belle Glade Golden Rams and the Clewiston Tigers participating.

Don Cole, master of ceremonies, introduced Jim Nash, president of the East Coast Football Officials Association, who spoke briefly of the duties of the officials and explained infractions of football rules as demonstrated by the Pahokee Blue Devils and called on the playing field by Referee Albert Zinni, Umpire J. H. McCampbell, Field Judge Marvin Chessner and Head Linesman Ed Eisey.

Coaches Carl Ferrara of the Clewiston Tigers, Calvin Peacock of the Belle Glade Golden Rams and Webb Pell of the Pahokee Blue Devils demonstrated some of the running and passing plays of their teams from the T, the split T and the single wing formations and later in the evening each team flexed its muscles in inter-team scrimmage while Mr. Nash explained the action of both the players and the officials.

James W. Vann, president of the Pahokee Lions Club, the host club, thanked the officials, football squads and their coaches for their fine performances and the public for its excellent turn out in support of the clinic. Highway Patrolman Howell Gillett also spoke briefly on the importance of safe driving by teenagers as well as by adults. He pointed out that the south end of Lake Okechobee has one of the highest highway fatality rates in the United States, that 32 persons have already been killed in highway accidents in this area this year as compared to 30 for the entire year of 1951.

During the intermission of the clinic a sparkling performance was presented on the playing field by the Pahokee High School marching band led by Drum Major Judy Starling, with Bandmaster Robert O. Lampi at the microphone to describe their intricate drill maneuvers.

CAR OF THANKS

We wish to express our thanks and appreciation for the many kindnesses shown by our friends at the time of our recent loss.

Mrs. Harold Rosenberg and family.
Mr. and Mrs. Joseph Rosenberg.

Mr. and Mrs. W. A. Slauter and children visited relatives in Jacksonville over the weekend.

Miriam Circle

The Miriam Circle, First Methodist Woman's Society of Christian Service, at a meeting at the home of Mrs. Leo Maxwell, voted to offer its services to Negro women in their mission work at the colored Methodist Church. Mrs. Max Beverly was appointed to represent the circle in investigating the needs in home mission work of the Negro women.

It was announced circle members will make up the church greeting committee for the month of December. Mrs. Tom Davis was received as a new member. The devotional program, "Ambassadors For Christ," was presented by Mrs. Vance Denton.

Names Get Messed Up Sometimes

(By Paul Rardin, Baby Editor)

Names sure do get messed up in print every now and then. I'm sorta used to folks calling me everything from Rabin to rabbit. Not half the folks I know pronounce my name correctly, but, that's all right just so long as they pull the proper lever over my name on the ballot at election time.

But I was talking about names getting messed up and I did a good job of it last week in these columns. Mr. and Mrs. Milton Douglas of Belle Glade announced the arrival of a daughter, Lillie LaVerne, at the Pahokee hospital. I wasn't satisfied to take the hospital's record for it, I had to change the residence of the parents to Pahokee.

Well, knowing the Douglas family in Pahokee and knowing Milton as the manager of Kilgore Seed Company I thought somebody else had made a mistake. But they hadn't.

However, an issue or two before we announced the arrival of a new daughter, Theresa Gale, at the home of Mr. and Mrs. William M. Douglas in Pahokee. That's the Kilgore Seed Company Milton. So, when I saw the official announcement saying that the Milton Douglas family in Belle Glade had a new girl, I immediately called Kilgore and asked if Milton had a new girl at his home. They said yes. That fixed it. I made the change and the change was wrong. Anyway, here are the announcements as they should read.

Mr. and Mrs. William M. Douglas of Pahokee announce the birth of a daughter, Theresa Gale, at the Everglades Memorial Hospital, Aug. 23.

Mr. and Mrs. Milton Douglas of Belle Glade announce the birth of a daughter, Lillie LaVerne, at the Everglades Memorial Hospital, Sept. 7.

Name Room Mothers For Pahokee School

Mrs. Arch Blakey, newly appointed room mother chairman of the Pahokee Parent-Teacher Association, held an open meeting of mothers of school children at the school Wednesday afternoon to elect room mothers for the coming year.

The new room mothers are: Mrs. Leo Maxwell for Mrs. Sue Shirley's first grade room, Mrs. Robert Hutton for Mrs. Myrtle Brooks' first grade and Mrs. Earl Pitts for Mrs. Kathryn Cunningham's first grade; Mrs. James Vandegrift for Mrs. Rebe Golden's second grade and Mrs. E. C. Watson for Mrs. Myrtle Johnson's second grade; Mrs. Hugo Boe for Mrs. Cleo Douthitt's third grade and Mrs. Josephine Sharitz's third grade; Mrs. Norman Kennedy for Mrs. Clara Maurer's fourth grade and Mrs. Lester Hand for Miss Elizabeth Caraway's fourth grade; Mrs. Ernest Maxwell for Mrs. Charlotte Walston's fifth grade and Mrs. Graham Mole for Mrs. Sarah Thomas's fifth grade; Mrs. Thomas Elliott for Mrs. Elsie Sims' sixth grade.

Room mothers committee chairmen named for the high school groups were Mrs. Elmer Jones, seventh grade; Mrs. Rupert Mock, eighth grade; Mrs. Lewis Friend, ninth grade; Mrs. George Ramey, tenth grade; Mrs. F. M. Wilson, eleventh grade. The committee of room mothers for the Senior Class include Mrs. Violet Hitchcock, Mrs. Clara Walker, Mrs. E. L. Pope, Mrs. Uceba Caruthers, Mrs. Roselle Wilson and Mrs. L. M. Collins.

Horsemen consider Hialeah's racing strip among America's safest. General Manager Sam H. McCormick gives considerable credit to the University of Florida's agronomy department, which analyzed the soils and developed the proper combination for the track.

Convenient location for both business and pleasure—write now for information or reservations.

MIAMI, FLORIDA

Turnpike Group Is Hot To Get A Start

TALLAHASSEE — The first meeting of Governor Warren's Citizens' Turnpike Committee met in Tallahassee last week and after spending the better part of a day listening to reports from State Department officials and engineering firms, went on record by resolution, unanimously adopted, urging "continuation of all procedures necessary to the sound culmination of the project."

The resolution follows:

"Whereas, some new method is needed to solve the traffic problem along the East and West Coast of Florida, and;

"Whereas, the State Road Department of Florida has caused a comprehensive, impartial and non-political study of Florida highways to be made by the internationally known consulting engineering firm of Parsons, Brickerhoff, Hall and MacDonald, and;

"Whereas, this report shows that the only foreseeable means of bringing our roads up to standard is by the use of tolls, and;

"Whereas, our tremendous growth and progress requires the best in roads, and;

"Whereas, the merchandising of our agricultural products, the function and operation of our industries, our health, progress and happiness depends on our roads, and;

"Whereas, a detailed engineering report and a traffic and earnings survey and report should be obtained before it can be determined with absolute certainty that a turnpike system in Florida is fiscally sound on a self-liquidating bond revenue basis, and;

"Whereas, U. S. Highway No. 92 from Daytona Beach, Florida to the Tampa Bay area constitutes a major traffic problem in its present unsafe condition and an urgent need of a safe express road through this area to preserve lives of Florida's citizens and its many year round visitors, and;

"Whereas, U. S. Highway No. 1 from Jacksonville to Miami constitutes one of the major traffic problems in this state and the State of Florida is in immediate need of a safe express highway along the East Coast of Florida to prevent any unnecessary slaughter of its citizens and its numerous winter visitors;

"Now, therefore, be it resolved by the Citizens' Highway and Turnpike Advisory Committee that:

"1. The Florida State Improvement Commission make such studies as are necessary to determine the solution of the now existing and growing traffic problem in this area.

"2. The Florida State Improvement Commission is requested to encourage the State Road Department of Florida to proceed with the necessary studies, surveys and cost estimates in order that the financial soundness and fiscal sufficiency of a turnpike system in Florida can be determined with certainty.

"3. The Florida State Improvement Commission is requested to cooperate with the State Road Department of Florida in securing, at the earliest possible date, a traffic and earnings survey and report and a detailed engineering report which would be sufficient to determine the financial soundness of the project.

"4. We agree in principle with all that has been done and that we further recommend that all procedures necessary to the sound culmination of this turnpike project continue on a sound and practical basis."

Over 500 kinds of foodstuffs and about 1,000 non-food items are packed in cans, according to the American Can Company. Never a year goes by, the company said, but what some product is packed in metal for the first time. On a per capita basis, the average American opens about 200 cans per year.

Florida Chain Stores paid over twelve million dollars in local state taxes last year.

Outdoor Notes

GAME AND FRESH WATER FISH COMMISSION.

THE BEAUTIFUL WATER HYACINTH IS PROBABLY THE WORST ENEMY OF FLORIDA'S FRESH WATERS. MOST AUTHORITIES AGREE THAT FROM A FISH AND WILDLIFE STANDPOINT, HYACINTHS CAUSE MORE DAMAGE THAN POLLUTION. HYACINTHS ARE DANGEROUS OPPONENTS OF SPORTS FISHERMAN AND BOATING ENTHUSIASTS, FOR THE PLANT BLOCKS NAVIGABLE CHANNELS AND STRANGLES LAKES. THESE PLANTS ARE CAPABLE OF DOUBLING THEIR NUMBER EVERY MONTH.

"Hurricane Holiday" For Free At New Luxury Hotel On West Coast

REDINGTON BEACH — The Glades Hotel, one of Florida's finest resort hotels, has come up with a brand new vacation idea.

During the months of September and October the Glades is conducting a Hurricane Holiday at the hotel. Situated on Florida's west coast in exclusive Redington Beach, 18 miles from St. Petersburg, the Glades has reduced their rates and will give anyone staying in the hotel their accommodations free in the event of a hurricane.

For many years Northern newspapers have had a field day with Florida hurricanes. While Floridians patiently sit back and "let 'er blow," publicists continually headline the dangers of Florida storms. Florida's west coast has had only one severe storm in the past 50 years.

Even if there is a hurricane, guests at the hotel will be assured of a good time. Not only will they

get their accommodations free, but there will be an all-night hurricane party. During the months of September and October planned parties such as picnics, barbecues and dances will be held at the Glades, and although the management can't guarantee a hurricane they will assure everyone a good time.

The Glades is the West Coast's newest and most luxurious hotel. It overlooks the Gulf of Mexico with 200 feet of private beach fronting a spacious patio. There is a fresh water swimming pool, shuffleboard courts and is air-conditioned. The famous Evergreen Dining Room and Tahitian Terrace are renowned for delicious food and beverages.

The late summer vacationer will find the "Hurricane Holiday" an exciting and different way to enjoy himself—for low rates and luxurious rest or accommodations are available... and who knows... they may even be free!

by the school superintendent and the pastor.

William Sheffield, new director of religious education, outlined program plans for youth activities for the season: a recreational folks games and song fest every Tuesday night; Vesper Choir rehearsal and snack bar refreshments every Thursday night; open house every Saturday night. He announced the young people of the church are washing cars at Leggett's filling station every Saturday on a commission basis to raise funds for the purchase of a record player to be used in their recreational programs. Mrs. L. J. Fraser is lending the group a record player until they raise enough money to buy one.

Mr. Sheffield will be in charge of the special programs at the church in observance of religious education week Sept. 25 - Oct. 5.

State Chamber To Meet In November

TAMPA — George B. Hills of Jacksonville has been appointed chairman of the nominating committee, incident to the annual meeting of the State Chamber of Commerce, which will be held at Jacksonville on November 16, 17, 18.

Serving with Hills will be J. D. Johnson of Pensacola, C. Walton Rex of Orlando, F. J. Gannon of Tampa Electric Co., Tampa, and W. F. Rolleston, Marine Studios, Marineland.

Announcement to this effect was made here recently by former Governor Doyle E. Sarilton, the trade body's president.

Democratic Caucus Held In Tampa

TAMPA — Revision of government practices to simplify tax collection and give the legislature closer tab on the amount of money needed was proposed and discussed at a meeting of the legislative council here last week. Another study committee called for the abolition of Florida's notorious fee system. State departments were roundly criticized in a report by Senator J. B. Rogers of Winter Garden for their wild guesses as to needed revenue.

The council met during the legislative caucus held here over the weekend.

The Florida House of Representatives in official caucus refused to give unqualified support to Adlai Stevenson for president, being unwilling to go down the line on the South's right to filibuster or loss of tidelands by the state.

Governor Warren and his cabinet were asked bluntly to desist and refrain from starting any more multi-million dollar buildings in the Capitol Center at Tallahassee until something was done toward improving the State Hospital at Chattahoochee and the Florida Farm Colony for feeble-minded at Gainesville.

The session closed with a banquet Saturday night attended by over 600 legislators and public officials including Governor Warren, gubernatorial nominee Dan McCarty and their wives.

Vegetable Growers To Meet In Tampa

TAMPA — Vegetable growers from all over the nation will meet in Tampa, December 2-6 for the annual convention of the Vegetable Growers Association of America.

It was through the efforts of Paul V. Dickman, prominent vegetable grower of Ruskin and vice president of the national association, that this important convention is coming to Florida.

Business sessions will be held in Tampa, but during the convention period the group will be taken to Ruskin for a huge exhibit of the latest in farm equipment and supplies and actual demonstrations on the farms of Paul Dickman.

The Dickman Farms will have crops growing in the field for the visitors' inspection.

Paper Bathing Suit Gets Plenty Publicity

MIAMI — Florida press agents dream up some wild ideas to gain publicity for Florida and the PR boys down Miami way top them all when it comes to pulling publicity rabbits out of the hat.

They tried a paper bathing suit the other day and talked pretty Florida Estevez into donning a Bikini type bathing suit made from paper napkins known as "brown-moppers" which the Florida Power & Light Company had printed up to advertise the advantages of Florida's summer climate.

The stunt back-fired when Hilda stepped in the water. "It's coming apart," she screamed and dived below the waves.

Press Agent Bob Lynn came to her rescue and threw her a terry cloth robe. It was a lot of fun and, although the bathing suit was a "bust," it made television, the newspapers and all the wire services for a nationwide publicity break.

Jernigan Circle Meet

Mrs. Seth W. Roberts was hostess to members of the Grace Jernigan Circle, Pahokee First Baptist Woman's Missionary Society, at a meeting at her home Tuesday night.

The group voted as its community missions project for October the distribution of books, magazines and other literature to shut-ins and the collection of coupons for the Baptist Children's Home.

Mrs. R. S. Douthitt completed the study of the last chapter of the mission study book, "Lower Levels of Prayer." The devotional program was presented by Mrs. Ellsworth Keen, assisted by Mrs. Evie Humphrey and Mrs. Carolyn Thompson.

Christian Science Group Of Canal Point

That matter, with its various allurements, is directly opposed to God and must be denied and put off is the theme of Christian Science services next Sunday. "MATTER" is the subject.
 A verse from Jeremiah (3:23) provides the Golden Text: "Truly in vain is salvation hoped for from the hills, and from the multitude of mountains: truly in the Lord our God is the salvation of Israel."
 Readings from the Bible include the following: "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting (Galatians 6:8)."
 Correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "This sharp 'experiences of belief in the supposititious life of matter, as well as our disappointments and ceaseless woes, turn us like tired children to the arms of divine Love' (p. 322).

Homecoming Set For Methodist Church

Tentative plans for a homecoming day program to be held at the Pahokee First Methodist Church in October were made by the Board of Stewards at a meeting on Thursday night of last week. Guest speaker will be the Rev. J. A. Hendry, former pastor of the Pahokee church, now retired. Pioneer members of the church will receive special recognition.
 It was announced a conference of the West Palm Beach District of Methodist Churches will be held at Pahokee in December, with the Pahokee Woman's Society of Christian Service to be in charge of luncheon arrangements at noon.
 The board voted to purchase a new illuminated bulletin board for the church lawn; also to have two listings of the church telephone in the new telephone directory, under the heading of "Pahokee Methodist Church" and "Pahokee Methodist Parsonage."

Jimmy Kozelle, new president of the Senior Methodist Youth Fellowship, was elected a member of the official board.

Mrs. Ruth Meredith was authorized to purchase \$40 worth of palm trees to be planted in front of the church and it was announced Ed Olsen, local nurseryman, will donate shade trees for the lawn at the rear of the church if the church bears the expense of moving them.

Two New Members In Shirley Circle

Mrs. Blake Dunsom and Mrs. Harold Leggett were received as new members of the Gertrude Shirley Circle, First Methodist Woman's Society of Christian Service, at a meeting at the home of Mrs. Robert Hatten, with Mrs. Leon Spooner presiding in the absence of the chairman, Mrs. Hugh Branch.

It was announced circle members will serve on the greeting and flowers committees for the church through the month of October. Mrs. George Ramey was named chairman of the flowers committee for both October and March. Circle members will be in charge of the general WSCS meeting of Oct. 6.

Mrs. Lloyd Hundley was in charge of the devotionals which had as a theme, "Ambassadors For Christ." Mrs. R. F. Hurt presented the program, "The Love of God," which was closed with the reading of the poem, "Love."

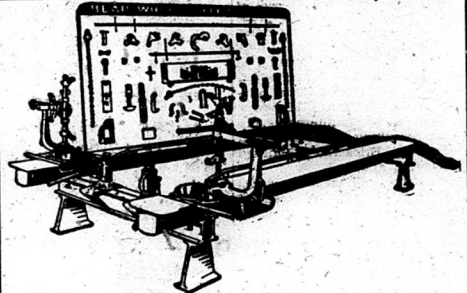

The October meeting of the circle will be at the home of Mrs. Robert Apelgren, with Mrs. J. G. Thomas, Jr., co-hostess.

Outdoor Party For Mrs. D. L. Friend

Mrs. Dennis L. Friend of Charleston, S. C., former worthy matron of the Pahokee Chapter, Order of Eastern Star, who is visiting relatives in Pahokee, was guest of honor at an outdoor party and picnic supper held at the city park on Thursday afternoon of last week by a group of friends. Mrs. H. C. Graham, Mrs. O. D. Carpenter, Mrs. D. W. Young and Mrs. Homer Barnes were in charge of arrangements. Approximately 30 were present.

"School's Open—Drive Carefully" should be the motorists' watchword as children return to classrooms after summer vacations. says Marvin L. Holloway, manager of the Tampa Motor Club.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series E Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series E Bonds.

**NOW EVEN BETTER!
INVEST MORE IN DEFENSE BONDS!**

The Everglades News

PAUL RARDIN, Publisher

Group Named To —

(continued from page 1)

a new member. He reported that Mayor Lewis Friend and himself had contacted officials of the Palm Beach Port of Authority about getting a breakwater constructed in front of the Pahokee dock and they were advised by the Port Authorities that the U. S. Air Force has a definite need for this breakwater for the protection of its crash boats operating in Lake Okeechobee in connection with the training program of the Air Rescue Squadrons on the lake and it would be a practical move for the club to cooperate with the USAF in getting the breakwater built.

Capt. Frank Altman, who is in charge of the Air Rescue Squadron training on Lake Okeechobee, said he will recommend to the USAF that improved facilities for protection against rough water be installed on the lake. He also suggested that the club take steps to have Pahokee designated as a point of stopover on the Inland Waterway Guide.

At the conclusion of the meeting Capt. Altman showed an Air Rescue Squadron film entitled "That They Will Live."

"Pioneer Park" Is—

(continued from page 1)

Mrs. Ruth Meredith, January; Mrs. L. W. Armstrong and Mrs. E. F. McIlwain, February; Mrs. Inman Weeks and Mrs. Lloyd Hundley, March; Mrs. John T. Pickett and Al Beverly, April; Mrs. F. M. Shaughnessy and Mrs. O. R. Blech, May.

Mrs. McIntosh presented the program topic, "Bulbs." H. J. Anderson gave a talk on "Growing Chrysanthemums." Mrs. J. M. Elliott urged members to start preparations now for entries in the club's flower show. Mrs. Carl Norman was introduced as a visitor.

Canipe Talks To Pahokee Rotarians

Clyde A. Canipe, principal of Pahokee Schools, was guest speaker at last week's luncheon meeting of the Pahokee Rotary Club. Introduced by Robert O. Lampi, Principal Canipe gave a talk on "Problems in Public Schools Today."

Presented at the meeting was a memorial service honoring the late Harold Rosenberg, immediate past president of the club, who was killed recently in a car accident. The W. Hal Hunter, pastor of the Pahokee First Baptist Church, was in charge of the service. President Elmer Jones presided.

Blue Devils Go To—

(continued from page 1)

Tackle Gene Fuller, 200, and Robert Dickson, 185.

Both teams will feel the pinch in the lack of reserve strength, each having a 26-man squad.

On Tuesday Pell said his Blue Devils were in fair physical condition with no serious injuries and their spirit was good. He sees little chance for victory in the opener with the defending champions of the Glades area but has confidence his men will play a good game.

He hasn't decided yet whether to start Calvin Padgett or Jimmy Rozelle at quarterback but has announced he will start Ends Harry Levins and Roy Spooner, Tackles Tommy Elliott and Benny Sims, Guards Eugene Caruthers and Gordon Hoyle, Center Elmer B. Elliott, Halfbacks Buford Justice and Bill Hatton, and Fullback Hal Rosenberg.

Lions Hear Hunter Talk On New Bible

The Rev. W. Hal Hunter, pastor of the Pahokee First Baptist Church, gave a talk on the new revised edition of the Bible being published this year at Tuesday's meeting of the Pahokee Lions Club explaining how it differs from the other translations that have been published in the past. He was introduced by the club president, James W. Vann.

Principal Clyde A. Canipe announced season tickets to the five Pahokee High School home games will cost \$7.50 this season, the extra \$2.50 in price to go into the fund being raised to pay for the new grandstand bleachers to be installed before the first home game for the convenience and comfort of season ticket holders all of whom will have reserved seats in the new bleachers located near the fifty-yard line.

Perry Duke announced a public barbecue will be held on the American Legion grounds starting at 4 p. m. on the evening of the first home football game between Pahokee and Key West Sept. 26, the game to be followed by a dance in the Legion Hall, proceeds from the dance to go to Dr. D. S. Spooner who is hospitalized with a very serious leg injury.

"Yankee Brow Moppers" first put out by Florida Power & Light to show Northerners how much cooler it is in Florida in the summer than in other parts of the country, have been adopted by the State Advertising Commission and used in Commission publicity programs.

There's
NO value
like Chevrolet
value!

...the lowest-priced line in its field!

Measure value by what you get for what you pay... and it's easy to see why more people buy Chevrolets than any other car.

For you get more with Chevrolet... fine quality features found in no other low-priced car. And yet you pay less... for Chevrolet is the lowest-priced line in the low-price field.

Today more and more people are looking for greater value in everything they buy. Come in and let us show you all the reasons why—in automobiles—there's no value like Chevrolet value.

(Continuation of standard equipment and trim illustrated is dependent on availability of material.)
